**Song Title: Decisions**

Verse 1:

Its time to make the call  
From your tempted trip to hell  
And find what's still above  
So the years disappeared  
From our last glory fill  
For those you stood for more than the dollar bill

Chorus:

Oh you know its up to you,  
Oh you know its up to you,  
Oh Oh Oh Oh  
Oh Oh Oh Oh

Verse 11:

All around tainted eyes  
Greedy hands confused lives  
Of self destruct and corrupt ties  
Have we forgot the righteous way  
Of simple pleasures for today  
And the small, the small man's say

Chorus:

Oh you know its up to you,  
Oh you know its up to you,  
Oh Oh Oh Oh  
Oh Oh Oh Oh

Chorus:

Oh you know its up to you,

Oh you know its up to you,

Oh Oh Oh Oh

Oh Oh Oh Oh
