Song Title: Ms. Daisy

Verse 1:

A girl stares, doesn't blink an eye

The day slips, she breathes another sigh

Oh there she stumbles on the rusty barrel

Her eyes wake to god's little carol

Chorus:

Oh he says Ms. Daisy

Oh you're going crazy

Oh he says Ms. Daisy

Oh you're getting lazy

Oh he says Ms. Daisy

Tomorrow never maybe

Oh he says Ms. Daisy

Verse 11:

Gun shy she walks across the room

Full speed could it be too soon

Oh there she stumbles on the lover's tie

Her eyes wake, and now she knows why

Chorus:

Oh he says Ms. Daisy

Oh you're going crazy

Oh he says Ms. Daisy

Oh you're getting lazy

Oh he says Ms. Daisy

Tomorrow never maybe

Oh he says Ms. Daisy, Ms Daisy

Bridge:

Are you going on the inside

Are you, are you, are you on the inside

Are you, on the inside

Are you, are you, are you on the inside

Chorus:

Oh he says Ms. Daisy

Oh you're getting crazy

Oh he says Ms. Daisy

Oh you're getting lazy

Oh he says Ms. Daisy

Tomorrow never maybe

Oh he says Ms. Daisy
